

Dear Kyle + Team -

We are so glad Matt + Becca chose to be married at Winehaven. You all did an extraordinary job. The venue was everything we hoped for plus a lot of things we never even imagined. Some highlights

- Kyle walking through the snow in tennis shoes in January to show us the vineyard site - with a genuine smile
- feeling like VIPs wherever we showed up (vs. just another bridal party) and Troy's warm presence at the bar
- Taylor being there at just the right time to help me put on tablecloths, and being so willing to help
- Cheri's enthusiasm about the flash mob + rehearsal
- Kyle's willingness to move decorations in the indoor ceremony site, then move everything to the outdoor site, and then, we heard, Kevin + Kyle moved everything back in during the rain. It was so much extra work, especially cleaning off all the chairs, but we never sensed annoyance or frustration - you seemed determined to make Matt + Becca's wishes come true, and you did.
- Taylor turned the lights at just the right moment in the flash mob + lots of people loved that!
- When, at the end, our storage bins were behind the giant rolling counters, Kyle climbed over and around to get them out.
- It was humbling to see a physician and an attorney cleaning up after our wedding, but we were touched by the mindset it demonstrated.
- I gave several tasks to Felicia (drink tickets for the vendors + some other requests) and then forgot, but she took care of every detail as asked.

Your place is incredible, but it's the people that made it stand out even more. Winehaven will always be special to us, and we wish you all the best!

Warmly,
Bill + Heidi
Weber
